First time user? **Register Yourself**

2. Upon clicking on 'Register Yourself', you will be taken to the next screen wherein you have to register using your valid mobile number or email id. After entering a valid mobile number or email id, you will need to enter the captcha as displayed on the screen.

3. If the captcha entered is incorrect, the same shall be displayed. Upon entering the correct Captcha, click on 'Get OTP' to move to the next screen wherein a 5-digit OTP sent to your email id has to be entered. This OTP will be valid for a time period of 30 minutes.

4. After entering the correct OTP, click on 'Verify OTP' to move to the next screen. In the next screen, you are required to fill in your details and then click 'Submit'.

Dear [Name]

Thank you for registering with CSIR-Cohort (PI-CHeCK).

We have received your registration request and will get back to you as soon as possible.

Thanks,

Team CSIR-Cohort (PI-CHeCK)

Never Share your Username, OTP, Password with anyone. Sharing these details can lead to unauthorised access to your account. This is an automatically generated email, please do not reply.

6. If your participation in the study is approved, you will be sent the password for signing in to the portal in due course. Your registered email id shall be the username for signing in the portal. In case you forget the password, there is a 'Forgot Password' link in the Sign-in/Registration window itself to help you out with a new password.

Note: The login details should not be shared with anyone as it contains/will contain your reports and records.
